WEATHER PROBABILITIES.—For this section, occasional rain tonight; rain Wednesday; continued warm; southeasterly winds, increasing to fresh by brisk.

CHARGED WITH MURDER.—Sheriff E. L. Ward T. Shea, of Prince George county, Md., went to New York on Saturday last and returned with Mr. John Hazard, formerly of Berwyn, that county, charged with the suspected murder of Edward Howard of this city at Berwyn, on the evening of August 31 last. The warrant charging Hazard, who is 22 years of age, was sworn out by Charles A. Howard, of this city, the father of Edward Howard, and was issued by Justice of the Peace Alex. Sakers, of Hyattsville, on February 28 last. Armed with the warrant, Sheriff Shea located young Hazard in New York in the employ of the New York Commercial. The accused was arrested at the sheriff's mission, but willingly accompanied the officer back to Maryland without requisition papers, saying that he preferred to have the opportunity of speedily vindicating himself.

Sheriff Shea and his prisoner returned Saturday, spent the night at Bowie and went to Marlboro on Sunday. Tomorrow the accused will be taken to Hyattsville for a preliminary examination.

Dr. Hazard, the father of the accused, is a leading patent attorney in New York. Upon hearing of the serious charge against his son he immediately left for Maryland, and yesterday, accompanied by Attorney J. C. Rogers, who has been engaged as counsel, went to Marlboro. The meeting between father and son was affectionate, the former proclaiming aloud the innocence of his son and embracing him tenderly.

Young Hazard is an exceedingly fine-looking young man, and has heretofore borne an excellent reputation. He declares his innocence of the charge without the slightest hesitation. It is certain that should an indictment follow young Hazard's trial will come up during the term of court which opens in Marlboro on April 1 next. Attorney Rogers declares the charge to be absolutely ridiculous, and states that he will have no difficulty in vindicating his client.

On Sunday evening, August 31, last, Edward E. Howard and John Hazard, the former of this city and the latter of Berwyn, were both calling upon Miss Smith, daughter of Mr. A. B. Smith, of Berwyn. It was the common report that both were very much in love with Miss Smith, and it was also stated that naught else but friendship ever existed between the young admirers.

Early Monday morning the father of Miss Smith found the dead body of young Howard lying in front of his residence. A revolver was lying close to the body with one chamber empty, and the presence of burned powder near the right temple told a story of apparent suicide. The bullet penetrated the brain. A coroner's inquest rendered a verdict of suicide.

The death was investigated by the grand jury of the county, but nothing came of it. Mr. Howard, the father of the dead boy has always believed that his boy was murdered, and has had a detective working on the case. Miss Smith, who now lives at Riverdale, refuses to talk about the matter, but will, in all probability, be an important witness in the case.

COUNTY DEMOCRATS.—A meeting of the democratic executive committee of Alexandria county was held last night at the county courthouse. The committee was called to order by County Chairman Clements, and Mr. W. H. Palmer acted as secretary. Chairman Clements stated the object of the meeting was to consider the time and manner of selecting a democratic candidate to be voted for at the election to the State constitutional convention. The city and county of Alexandria will be entitled to but one delegate. The following resolutions were adopted:

Resolved, That a primary election be held in the several voting precincts of Alexandria county to select a democratic nominee for member of the coming constitutional convention of Virginia.

Resolved, That said primary be held separate and distinct from any other primary election; and

Resolved, further, That whereas the democratic committee of Alexandria city has invited the committee of the county to meet in joint session to arrange the time and place of holding a primary election; therefore, be it further

Resolved, That this committee meet said city committee in the city of Alexandria on Tuesday, March 19, 1901, at 4 p. m., at the office of City Attorney Gardner L. Bothe to consider and determine the time and place of holding said primary election.

THE REPUBLICANS.—The republican State committee will meet in Richmond tonight and discuss many matters of interest to the party. It is not positively known what course the committee will pursue, though there is every reason to believe that they will consider the advisability of running candidates for the convention in certain sections. Chairman Andrew, of the State committee, and Chairman Crump, of the city committee, have gone to Richmond to attend the meeting.

DEMOCRATIC MEETING.—A joint meeting of the city and county democratic committees was held in this city this evening to determine a time and manner for holding a primary to nominate a candidate for the State constitutional convention. The meeting was in session when this report closed, March 28 was fixed as the time for the primary.

Mr. Fred Kline who has been under treatment for a fractured leg for some time past at the Alexandria Infirmary, has sufficiently recovered to be removed to his home, near Bailey's Cross Roads.

The engagement of Miss Annette G. Martyn, of Warrenton, and Mr. Lucius L. Smith, Jr., of Washington, is announced. The wedding will take place at Warrenton, in the early summer.

Mr. E. C. Loken, of Philadelphia, was in the city today on a short visit to his brother, Mr. Courland Lukens, of Fairfax county.

Mrs. Harrington, of The Plains, who came here recently to attend the funeral of her niece, Miss Jennie Davis, is quite sick at the residence of Mrs. Davis on Wolfe street.

Mr. W. H. Demaine has gone to New York to spend a few weeks.

JAIL INSPECTOR'S REPORT.—Dr. Purvis and Messrs. E. B. Taylor and C. W. Moore, city jail inspectors, who, as heretofore stated in the Gazette, made their inspection at that institution last week, have filed their report in the Corporation Court and the report was ordered to be sent to the City Council. The report states that there are 13 prisoners in the jail, all male, 2 white and 11 colored; that none of the repairs recommended at the last inspection have been made, and suggests that speedy action be taken. The improvements recommended are new floors in some of the cells, new locks, repairs to windows, brick work, water closet and well, &c.

VIRGINIA CONFERENCE.—The Virginia conference of the M. E. Church closed its session at Keyser, W. Va., on Sunday evening. The following changes were made on the Alexandria district: Accotink and Bethel, Rev. A. R. Snedegar; Manassas, Rev. A. Schooley; Falmouth, Rev. J. W. Bond. The other preachers of the district were returned to their former churches. Rev. J. A. Jeffers being reappointed to Trinity Church, this city. The conference will hold its next session in March, 1902, at Waterford, Loudoun county. Rev. J. A. Jeffers, of Trinity Church, has returned to his home in this city.

ANOTHER RUMOR.—It is rumored that when the deal between the Richmond, Fredericksburg and Potomac Railroad, the Seaboard Air Line, the Atlantic Coast Line, and the Washington Southern Railway is consummated, by which the companies named will use the tracks of the Pennsylvania and the Richmond, Fredericksburg and Potomac roads between Washington and Richmond, the road will be double-tracked between those points, and that large shops, employing many men, will be established in or near Alexandria.

KILLED.—Mr. John McMahon, of Buffalo, N. Y., but who had been a resident of this city for some time, was killed in Washington this morning by falling from a telegraph pole, on which he was repairing a wire, he being a lineman in the employ of the Western Union Company. He was picked up and soon expired. His brother, Mr. Arthur McMahon, who lives in this city, was notified and at once proceeded to Washington to look after the remains of his unfortunate brother.

A SUDDEN DEATH.—Mr. Joseph L. Virté died at his home, near Leesburg, on Saturday, aged 80 years and was buried yesterday. His daughter, Mrs. Mollie Lowe, who lived about three miles distant, went to her father's home to attend the funeral. She had not been in good health recently and was taken sick and died before the family returned from the cemetery. Mr. J. W. Summers, of this city, was a relative of the deceased and attended the funeral.

REPORT DENIED.—It is reported in military circles in Richmond and elsewhere that there will be a forced resignation of a commissioned officer of the Alexandria company for neglect of duty and on charges a little more serious during the inauguration ceremonies in Washington. The officers of the Alexandria Light Infantry indignantly deny the report and say there will be no resignation and that they court a court martial.

FALSE ALARM.—Officer Sherwood, one of the stationers, at five minutes past one o'clock this morning received a call stating that an officer's presence was needed at the postoffice as soon as possible. Lieutenant Smith hastened thither, but on his arrival was told that everything was serene in that locality and that no call had been made on police headquarters.

WOODLAWN SOLD.—It is reported that the old Woodlawn estate and mansion in Fairfax county below this city, has been purchased by a gentleman from New York who repairs and greatly improves the property. The estate formerly belonged to the Lewises and is one of the many historic places in Fairfax.

Laxative Bromo-Quinine Tablets
the remedy that cures a cold in one day

Prof. Wilson, of Louisiana, Md., suffered terribly from neuralgia of the stomach and indigestion for thirteen years and after the doctors failed to cure him they fed him on morphine. A friend advised the use of Kodol Dyspepsia Cure and after taking a few bottles of it he says, "It has cured me entirely. I can't say too much for Kodol Dyspepsia Cure." It digests what you eat.

MUST TELL THE PEOPLE.—A busy merchant once complained that he did not have time to attend to his advertising properly. After a long experience he has come to the conclusion that advertising is the most important thing about any business—the "vital spark." He exclaims: "What good does it do a man to have the best stock of goods or a great bargain if people do not know about it?"
